Wellwood Water Taxi *Continued on page 3*

Wellwood and to host special events on the vessel.

The Wellwood Water Taxi will only operate in the Northeast River, Metz said, noting that to service a larger area would be too much for the service.

If the weather turns stormy, Metz said there is no problem. The Wellwood has a bus and will drive people home on land if the river is not an option.

With the new Wellwood Water Taxi being tested out on the river, it is already attracting attention.

"Last week, I got at least eight phone calls," Metz reported.

"It has been a very fun experience," Metz said, of the water taxi project. If the water taxi is as popular as Metz predicts it will be, he said he will consider purchasing an even larger boat in the future.
