West Nottingham Academy Announces 2015 Honor Society Inductees

The National Honor Society is the premiere national organization recognizing outstanding high school students. The Society was established in 1921 by the National Association of Secondary School Principals and West Nottingham has had an active chapter since 1958.

Selection to the NHS is based on the strength of each student's scholarship, leadership, character, and service. These four qualities define the National Honor Society, and while the faculty council does not look for perfection in each of the individual characteristics, they do look for positive evidence in all.

National Honor Society sponsor Ms. Victoria Sobocinski recently inducted the following day students into the National Honor Society: Hailey Dedrick (Port Deposit), Kayla Dvorak (North East), Sarah Filliaux (Conowingo), and Samara Wendel (Avondale).

This year, West Nottingham Academy is proud to announce that the school is now host to Chapter of The Science National Honor Society (SNHS). This society recognizes students who have excelled in advanced science classes and shown leadership in science-related pursuits. Typical SNHS activities involve field trips to laboratories, inviting guest speakers to campus, and hosting science fairs. Heading the program is Department Chair Gregg Bluth, Ph.D. Science offerings at the Academy include: Introductory Physics, Biology, Chemistry, Health, Honors and AP Biology, Honors and AP Chemistry, AP Physics 1 and 2, AP Physics C, Anatomy and Physiology, Forensic Science, and AP Environmental Science.

During a recent awards banquet (along with a number of boarding students) the following local day students were inducted into WNA's inaugural Chapter of the Science National Honor Society: Kayla Dvorak (North East), Justin Koo (Newark), Taylor Little (Oxford), Hannah Oxholm (Colora), Samara Wendel (Avondale), and Sarah Wisniewski (Fallston).

Founded in 1744, West Nottingham, a co-educational, college preparatory boarding and day school serving 130 students in grades 9-12, is the oldest boarding school in the nation. Approximately 70% of the students board, and close to 40% of the student population represents over a dozen countries. Dedicated to the intellectual and social growth of each student, WNA is an intimate yet diverse community providing differentiated instruction and intensive subject exploration.
