SQUEAKLE can do more than squeak; this handsome, big boy has a bark fitting of his size but no bite. This happy guy loves people and is eager to please; we sometimes call him a Rottwiggler, since he doesn't have a tail, his whole body has to get in on the action. Squeakle is an energetic and playful 4-year-old who will be a great addition to an active family. This fellow is so ready to get out, romp in the leaves and enjoy the fall weather. Squeakle will be a loving and loyal companion for the right family and that will be with an experienced Rotti owner, so his adoption is a success for all family members.

SPIRIT, There is nothing spooky about her, but she is a little bit kooky. This stunning beauty is aptly named, she has a remarkable and resilient spirit. She came to us wounded, yet sweetly trusted us and seemed to know we were helping her. It didn't take Spirit long to recover and bounce back, well she never really lost her bounce. This happy girl is very playful, outgoing and loves to cuddle. As if this 2-year-old couldn't be any more adorable, she also has the cutest little bird-like chirp. Whoever Spirit's lucky adopter is will bring joy into their home with this angel.
